Judy brings more than thirty years' experience in education to her work as consultant, facilitator and author. Originally a teacher, Judy is grounded in theory and practice that emphasize child development, observation, critical thinking, and experiential learning. She has worked extensively with a variety of educational institutions and agencies, and has co-authored numerous publications and DVDs, notably *Powerful Interactions: How to Connect with Children to Extend Their Learning*, *Observation: The Key to Responsive Teaching*, *The Power of Observation*, *The Work Sampling System*, and *The Creative Curriculum for Preschool: In Action: A DVD*.
